Experience

Thunderhoof Ranch – TR

Wrangler

Bozeman, MT

Nov. 2018 - Present

- Led cattle drives and ensured the safe transport of herds to grazing areas.
- Assisted in branding and vaccinating cattle, maintaining accurate records.
- Conducted routine maintenance of equipment and facilities for optimal functionality.
- Worked closely with ranch owners to develop and implement sustainable land management strategies.

Silver Sprus Ranch - SS

Range Rider

Missoula, MT

Aug. 2010 - Sep. 2018

- Managed a team of wranglers and coordinated daily trail rides for guests.
- Ensured the well-being and safety of both riders and horses during excursions.
- Provided guests with a memorable and enjoyable Western experience through entertaining storytelling and cowboy demonstrations.
- Assisted in organizing special events, including rodeos and chuckwagon dinners.

Wrangling • Roping • Herding • Trail • Guilding • Wilderness • Fence Repair

Livestock • Saddles • Branding • Vaccination • Cattle • Ranching

Education

Montana State University

Agronomy

Bozeman, MT

May 2000 - August 2004

- **Coursework:** Applied agronomy principles to optimize crop yields on a large-scale ranch, implementing soil testing and nutrient management strategies tailored to the specific needs of the land and crops grown.
- **Awards:** Utilized precision agriculture techniques, such as GPS-guided machinery and variable rate application, to maximize resource efficiency and minimize environmental impact while ensuring the ranch's agricultural productivity.

Certificates
